1. Welcome.

2. Introduction and Announcements. John Hibner mentioned that the restrictions on entry would be in effect by the next committee meeting date, and only a few of the entrances to the building would be public entrances for non-employees.

3. Approval of Minutes for June 4, 3008 Meeting. The minutes were approved with one change: Code Change Proposal 08-02 was tabled, the vote being 11-1-0.

4. Discussion on Amending Existing Code or Adoption of New Code. Rule 4 Residential Swimming Pools. Code Change Proposal 08-06 was approved with modification by a vote of 8-0-1. It adopts chapter 41 of the 2003 International Residential Code as the code for residential pools, and deletes the current 675 IAC 20-4.

5. Review Organization of Rules-Possible new Rules 2 and 5 in existing code. A motion was made regarding which codes would be starting points for the committee for public swimming pools, public spas, and water amusement facilities. The motion included:

- Public Swimming Pools-start with the current Rule 2.
- Public Spas-start with the current Rule 3.
- Water Amusement Facilities-start with the Wisconsin Department of Commerce Regulation Comm 90, Subpart IV-Water Attractions.

The Motion was approved 7-0-1.

6. Existing Code Change Proposals.

- 08-02-approved 9-0-0.
- 08-05-approved with modification, 9-0-0.
- Definitions in Rule 1. Discussion about which definitions would need to be added or modified.

7. Discussion Topics for Next Meeting. The next meeting will be on August 6 at 9 a.m. in Conference Room 5. Code Change Proposals will need to be submitted to John by July 23.

8. Adjournment.

Respectfully submitted,
Jeff Dean
